After being joined by the F.W.U.A. members a discussion on the purchasing of the Red Cross School took place which resulted in the following committee being nominated: Mrs. Carl Steiner, Mrs. B. Methers, Clara Dunham, Neil Giles and Alvin Jacobson.

The Ladies Sunshine Club held their Feb. meeting at the home of Mrs. Bertha Richardson with 10 members answering roll call with "Compliment the lady on your left."

Regular Meeting Good Deeds W.I.

Mrs. Roy Gold was hostess to the members of Good Deeds W.I. for the February meeting. Mrs. R. S. Irwin consented to continue as secretary-treasurer following the resignation of Mrs. A. Wylie. Mrs. D. Campbell and Mrs. H. Smith will continue as courtesy committee for 1953.

An invitation from High River W.I. to a Daffodil Tea on Saturday, March 7, from 3 to 5 at the Legion Hall Vulcan was read and accepted.

A letter from the A.W.I. president, Mrs. A. B. McGorman, gave an interesting outline of the plans made for the A.C.W.W. Conference to be held in Toronto, Aug. 12 to 23, of this year. Canada Day, Friday, Aug. 21 will be observed in the Maple Leaf Gardens and 50 Institute members from Alberta may attend. A pageant showing the development and growth of Canada will be the main item of entertainment.

Mrs. McCormack's letter also told of a quilt contest to be sponsored by the Sula Tea Co. Each quilt is to be a group effort with three valuable prizes to be given in each class for appliqué and pieced quilts.

With regard to the Vulcan Public Library, a motion was passed to have the library secretary write to other women's groups in the district asking for donations to the library fund; and inquiring as to the possibility of extending the scope of administration of the library to include other groups as well as Good Deeds W.I. The meeting also voted \$20 to defray immediate expenses of the Library Board.

The program of the afternoon was an address by the Constituency Convener, Mrs. Bert Malsey, consisting of many suggestions and reminders concerning W.I. work. Mrs. Malsey urged the members to give thoughtful attention to each beautiful phrase of the W.I. Creed as we repeat it in the opening exercises of each meeting. It has been suggested that we adopt a new flag salute: "We give our heads and our hearts to God and our Country, one Queen, one Flag, one Empire."

Mrs. Malsey dwelt on ways to be a good member. She advised that we read carefully each number of the W.I. magazine "Home and Country" in order to keep abreast of all matters of Institute interest.

Following the program the hostess was assisted in serving lunch by Mrs. P. Clark and Mrs. D. Campbell. The March meeting is to be at the home of Mrs. D. Campbell.

High School Curlers In Dominion Playdowns

Vulcan's provincial high school curling champions, competing in the Dominion playdowns at Saskatoon this week against high school rinks from the other provinces, had won three games and lost two up to the time of going to press.

They were accompanied to Saskatoon by high school principal Einar Kumlin and coach Harris Matlock. G. Hansell, Miss Ellen Loose, Milton Scales and Leland Arnold. Dr. A. D. Tompkins Addresses W.I.

Mrs. Clayton McMillan, assisted by Mrs. P. Myers was hostess for the February meeting of the Reid Hill W.I. at which the Valentine theme was used. Twenty members and visitors answered the Roll Call, "A Famous Person in the Medical World and Why They are Famous," which proved most interesting.

The new programs for 1953 were distributed by Mrs. Myers and the members were all much pleased with them.

The business session was light, with the sum of \$10 being voted to the European Flood Relief Fund.

At the conclusion of the business session the meeting was turned over to Dr. A. D. Tompkins, who had kindly consented to address the meeting, choosing as his topic "The Human Heart." His talk dealt with the many diseases and ailments common to this organ, and some of the treatment of same, all of which the ladies found extremely interesting. That the Doctor had gone to considerable trouble to prepare his talk was evident and much appreciated. He showed X-ray pictures of the heart, discussing conditions shown on each picture. A hearty vote of thanks was extended to him, at the conclusion of his talk.

The tea raffle was won by Mrs. Ernie Bowie and a delicious lunch served by the hostesses.

Small remembrances were presented to the four members whose birthdays occur this month, namely: Mrs. C. Love, Mrs. P. McIntyre, Mrs. P. Myers and Mrs. L. Healy.

The next meeting will be held at the home of Mrs. Healy.

KIRKCALDY
Friends of Mrs. Donald McKay are sorry to hear that she is confined to the local hospital. A speedy recovery is wished her by her many friends.

Annual Luncheon Meeting

W. H. Richardson Heads District Board of Trade

Over 120 persons attended the annual luncheon and general meeting of the Vulcan District Board of Trade, held Monday noon in the I.O.O.F. hall. The luncheon catered to by the ladies of the Order of Eastern Star, also marked the opening of the annual two-day agricultural short course sponsored jointly by the Board of Trade and the provincial department of agriculture. Mayor W. D. Allan welcomed the visitors to the town and Board of Trade president J. L. Findlay acted as chairman.

W. H. Richardson President

Election of officers for the current year saw W. H. Richardson named as president, A. A. Giles first vice-president, and B. H. McDonald second vice-president. Elected as members of the executive were W. A. Shields, Allan Fisher, William Munro, Jack Metcalf, Elwood Myers and E. G. McPherson. Past president J. L. Findlay will also be a member of the 1953 executive.

1952 Activities

Summarizing Board of Trade activities during 1952, Mr. Findlay mentioned the success that had attended the Trade Board's efforts to have more grain cars allotted to Vulcan and Kirkcaldy elevators last fall. Efforts to interest Dominion government officials in the damage being done to crops in this area by wild ducks had also been successful, with the new head of the Dominion Wildlife Service flying out from Ottawa and spending four days in the Vulcan area and several field men spending considerable time here, with the result that the seriousness of the situation had been recognized and that steps to at least alleviate the situation could be expected in future years.

Efforts of the Board of Trade to have a government liquor vendor's store established here and to have the town of Vulcan approved for N.H.A. housing loans were also covered. The hard-surfacing of the No. 23 highway is also a live issue and will be kept before the Minister of Highways, Hon. Gordon Taylor.

Elton Guest Speaker

Guest speaker at the luncheon was the always popular David H. Elton, Q.C. of Lethbridge. Illustrating the theme that there is "nothing more absorbing in this world than people," Mr. Elton quoted freely from the works of well-known poets and authors. His ever-ready wit and a few choice items from his own writings delighted his audience.

Four Local Rinks At Lethbridge Spiel

Four Vulcan rinks are competing in the annual Shirtsleeve Bonspiel at Lethbridge this week, with two of the rinks defending trophies won last year.

The C. J. Robinson and Howard Spaeth rinks were both event winners at the 1952 Shirtsleeve Spiel and are hoping to do as well or better this year.

Personnel of the four Vulcan rinks are:

C. J. Robinson (skip), C. R. Robson, Gale Atkinson, Bob Willard.

Howard Spaeth (skip), Arnold Lloyd, Evan Munro, Morley Scobie.

Mart Jose (skip), Ross Walker, Russell Graham, Bud Haverly.

Fred Mensinger (skip), George Fulton, Earl Erickson, Lawrence Haga.

Frank Fletcher of Brant has a rink entered, and the other curling clubs in the area are also represented.

Women's League

Mrs. Luke Ohlweiser was hostess for the February meeting of the C.W.L. with 16 members present. Routine business was dealt with, and plans were begun for holding a Thanksgiving supper next fall.

It was decided to hold a Bingo Party, March 20, in the parish hall. Mrs. M. Bakken gave a splendid reading on sectarianism titled "Let's Get Together."

The tea raffle was won by Mrs. H. Peard, and a dainty lunch was served by the hostess assisted by Mrs. J. P. O'Connell. A social hour was enjoyed by all.

Annual Agricultural Short Course Well Attended

Good attendance was registered at all sessions of the two-day agricultural short course held at the I.O.O.F. hall in Vulcan Monday and Tuesday of this week.

The men's program on Monday included talks and question periods on "Livestock Feeding," by David Clarke, Animal Husbandman of the Lethbridge Experimental Station; "Municipal Sanitation," by F. F. Farkinson, Agricultural Engineer of the provincial department of agriculture; and "The County Agricultural Board Program," by H. S. Burns, Field Supervisor for the County.

The women's program started with the topic "Your Shoes Are Showing," by Miss Margaret Kennedy, District Home Economist, Stettler. "Home Nursing Hints" were given by Miss Margaret Kennedy, Public Health Nurse, Vulcan, and a panel discussion on the services of the Foothills Health Unit, Miss Lila Engberg, District Home Economist, Lethbridge, spoke on "Good Design in Needlework."

D. T. Anderson, Agricultural Engineer, Lethbridge, spoke on "Recent Developments in Farm Machinery" to start off the program Tuesday afternoon. "Leaf Feeding Dusts and Sprays" were discussed by Urban Pittman, Goits Specialist, Lethbridge, and H. H. Michael, District Agriculturist, spoke on "Roadside Improvement."

In the ladies' section, Mrs. Norma Jean Gray, District Home Economist, Brooks gave advice on "Buying Electrical Equipment," and Miss Lila Engberg led a discussion following the showing of a film "Why won't Tommy Eat?" Tips on "Planning Your Home Grounds" were given by C. E. Yauch, Assistant District Agriculturist, Lethbridge.

Legion Rink Won South Alta. and Provincial Trophies

In winning the Canadian Legion Provincial Command curling championship and the Southern Alberta championship at Wetaskiwin last week the Vulcan Branch team became the first rink to win both trophies in the same season.

The local team of C. J. Robinson, skip; C. R. Robson, third; Jim Clark, second; and Charlie Fulton, lead, defeated Stettler and Rockyford in straight wins to take the McArthur-Stevens Trophy, emblematic of the Southern Alberta championship.

For the provincial championship they played against Stettler, Clive Rockyford, Morrin and Pincher Creek to reach the final, when they defeated Daysland in 10 ends by a 16-4 score to win the Gooderham-Worts Trophy and the Provincial Command championship.

To reach the provincial playoffs, the Vulcan curlers won the zone playoffs at Claresholm against Claresholm, Stavely, Macleod and Nanton and the district playoffs at Lethbridge against Lethbridge and Pincher Creek.

They play at Edmonton on Monday in the inter-provincial final against Saskatchewan.

Keystone Class Meets

The Ladies' Keystone Missionary Class of the Church of Christ held the February meeting at the home of Mrs. Boose with 16 members and two visitors present. Hymns were sung and a few of the members led in prayer. A letter was read from Edna Hunt, missionary in India, telling of her work there. Another letter from Clifford Edwards was read giving a report of his work and asking for help in connection with the young women's work there. The roll call was responded to by the members giving a verse of scripture on "Love." Mrs. Schneider gave a very fine devotional on Jamaica. The hostess assisted by her sister, Miss C. Rinehart, served a lovely lunch at the close of the meeting.

Boss: "Of course not. Why should I?"

Jones: "You were riding in the wheelbarrow!"

Brightly painted sign on a cross-country truck: "This truck stops for all crossroads, railroad crossings, blondes, brunettes and will back up half-a-mile for a redhead."

WHEEL ALIGNMENT

A lot of drivers have trouble with cars wandering on rutty roads. Well, if the road is bad enough any car will do this to some extent. Properly aligned

wheels, though, with good tight parts underneath, will minimize this tendency to a very marked degree and in some cases eliminate it altogether. If your car does this, drop in — we will discuss it with you, inspect the car and tell you frankly whether we can help you or not. Our wheel aligning equipment is the most modern available. We have had seven years experience at this work.

Wife: "The maid quit. She said you spoke insultingly to her over the phone."

Milo News

It would seem that the big event of the past week was the wedding dance put on by Mr. and Mrs. Ted Kiemle in the I.O.O.F. hall in Milo. Apparently everyone in not only this district but in several of the surrounding districts also, was just in the mood for dancing because such a crowd has not turned out for a dance since V-J day. The quiet young couple themselves are probably among the most surprised at the way their dance turned out. It was certainly to their credit and to all those that were in charge that everything went off so well. They started thing off right by hiring Fraser's orchestra of Lomond, which always supplies very danceable music. A delicious lunch was served during the intermission and then the dancing resumed for several more hours. A presentation of a purse of money was given the young couple by Eddie Heather on behalf of those present and he wished them the best of luck during their married life. This sentiment is again voiced at this time with the hope that their stay in this district will be along and happy one.

There are two births to be announced this week which should be of interest to this community. Mr. and Mrs. Bob Menner announce the birth of their second son on Feb. 9. As yet no other details are available. Born to Mr. and Mrs. Albert Bosisto of Brush Prairie, Wash., a daughter, Carol Diane. The baby weighed seven pounds, 13 oz. and was born in the Memorial Hospital in Vancouver, Wash. on Jan. 25. The grandparents are Mr. and Mrs. T. Corzine of Vancouver, Wash., and Mr. and Mrs. Ethan Bosisto of Brush Prairie, formerly of Milo. Congratulations to both sets of proud parents and grandparents.

Mr. and Mrs. Kiska attended a wedding in Lethbridge last week, in honor of the daughter of the section foreman of Armada. Several people from this district have again this week been confined to various hospitals with illnesses. Mrs. Smith is in the

204,396
cheques like this
met urgent needs in 1952

During 1952, The Great-West Life made 204,396 separate benefit payments to policyholders and beneficiaries—amounting to over \$38,000,000. Sharing this huge sum were elderly people who had saved for an independent retirement; widows and children to whom the payments were of vital importance; and many others whose share, often coming in an emergency, was of special significance.

In addition to benefits paid out, a further \$28 million was added to the funds held for the future benefit of policyholders.

In every other phase of Company operations, progressive achievement was apparent. Great-West Life representatives carefully planned and arranged new protection amounting to \$327 million for more than 45,000 people. Great-West Life policyholders now own more than \$2 billion of life insurance and annuities in the Company. Assets, which are soundly invested in productive enterprise, grew to \$446 million.

MAJORVILLE

No news is said to be good news but it isn't good for newspapers. There was no news last week because no news came to hand. There isn't a curling club in Majorville and the farmers hereabout don't indulge in the game, hence no curling news.

Mr. and Mrs. Winch and the family accompanied by Fay Bartsch attended the Ice Cycles in Calgary last week. Not having seen the show before they report a wonderful time.

Mrs. Hattie Clemmons, Ray, Skipper and Ronnie were dinner guests on Sunday at the home of Mr. and Mrs. Wm. Francis.

Mr. and Mrs. Bartsch, Mr. and Mrs. Winch and Alfred Vinge had dinner with Mr. and Mrs. Lewis Greaves on Sunday last.

Vorice Wellman has returned home after a trip to Eastern Canada and the States. While in the States he visited Washington D.C. and witnessed the inauguration parade for President Eisenhower.

Mr. and Mrs. Bert Clemmons are home after a honeymoon trip that took them through the States to Port Alberni, B.C. where they were the guests of Mr. and Mrs. Bill Fraser.

Lawrence Smith and Billie Francis spent the weekend in Banff.

Mr. and Mrs. Vic Bertrand spent a few days in Calgary early last week.

Mrs. Smith is again a patient in the General Hospital. A speedy recovery is wished for her.

Mr. and Mrs. G. Heather and Joanne were visitors to Cluny at the home of Mr. and Mrs. Don Gordon.

A number of residents met at the store on Saturday to discuss the purchasing of Liberty School. It is felt this school should be left in the community as several residents live at a distance from town. Maybe if the residents do decide to purchase the school as a community centre we can renew the good old times we used to enjoy before the town became the centre of activities. It has always been a source of wonder why the country people wanted to drive to

town for relaxation. Maybe it was just old age creeping up on them or progress reaching out. Now the folks around Majorville are trying to recapture the feeling of enjoyment in community get-togethers like the good old days. Here's hoping the school remains where it is.

Mr. and Mrs. Bartsch went to Calgary on Monday. Mrs. Bartsch will stay in the city for a while.

QUEENSTOWN

Our population isn't decreasing in Queenstown but our buildings are. J. Dew of Majorville moved Mr. Holte's garage out to his place.

We are glad to hear Mrs. Frank Durston has returned home and is teaching after spending a week in the Vulcan hospital. Lynda Gooch was also a patient in the hospital having her tonsils removed. We wish her a speedy recovery.

Congratulations are sent to Mr. and Mrs. E. Kingsmith on the birth of a son in the Bassano hospital.

Mr. and Mrs. Long entertained a number of guests Sunday, Feb. 8 celebrating Ann's birthday.

A number of people watched the badminton tournament on Sunday in the Queenstown Community Hall. The losers have not yet decided how to entertain the winners.

The bridge club was held at the home of Mrs. Bushell last Saturday night. It is to be at Mrs. J. Hough's Saturday, Feb. 14.

Jack Bushell has a new mechanic in his garage, Leo Schudle from Bruno, Sask.

A show and dance sponsored by Mrs. Smith of Calgary will be held in the Queenstown Hall Feb. 20, commencing at 8:30 p.m. A lunch will be served at midnight.

Mrs. Don Yull left Monday to spend a week with her daughter, Ida Mae in Calgary.

I guess spring must be just around the corner. A number of the farmers have been keeping our elevator men busy getting their wheat cleaned.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

Mr. Lobay of the crop protection service at Edmonton has recently sent us considerable information on Utility Sprayers which could be used for Warble Fly control as well as being adaptable for other purposes about the farm.

Although Warble fly spraying does not usually commence until March, now is the time for stockmen and farmers to plan and prepare for the work. We will give you here a few of the desirable features of a good utility sprayer as recommended by Mr. Lobay.

A piston type pump, duplex type preferred.

Be able to build up and maintain pressures up to 400 lbs. per square inch with ease. To do this, at least a 2 1/2 h.p. motor is required if 4-5 gallons of water per minute is the desired capacity. If 8 gallons per minute is required, a 5 h.p. motor is recommended. Hose connections would have to be able to withstand high pressures. A good hand gun should be used, capable of putting out the

desired spray pattern as well as one that can be opened and closed with relative ease in order to save the solution.

The machine must be of durable construction throughout. A steel tank is preferable to a wooden one as it is easier to clean out, the 80 gallon size is very convenient for all purposes. Positive agitators, like the propeller type are absolutely necessary when using wettable powders like DDT, Lindane etc. Utilizing the back pressure from the by-pass for agitation is not always effective.

It is very desirable that a sprayer be provided with good filters, water should be filtered through a fine screen as it goes into the tank, and then filtered again through another filter before it enters the nozzle.

We also have specifications of different manufactured sprayers at various prices, particulars of these can be seen at our office. One of these is a kit which is driven from the power take-off of a tractor and sells for \$135.00.

MILO

Sometimes it is a good thing to be a twin and sometimes it is a disadvantage. When it comes to hockey playing it is especially annoying. Last week the Milo team went to Lethbridge to play hockey with a team from Enchant. The game was very close and the defence tight and when it was all over the score stood at only 2-1 in favor of the Enchant team. However, at one time a slight ruckus was started which included all of the players of both teams and suddenly it was no longer a hockey game but a fistfight free-for-all. Now it seems that Floyd and Lloyd Armstrong didn't entirely approve of the brand of hockey that one of the Enchant players was dishing out—so they got in an argument as to which one of them was going to smarten him up. Floyd was put on the ice first and in the course of the smartening up a slight brawl was started, which was joined by all the players of both teams. When things were at their best—Floyd crawled out from the melee and went and sat down in the play ers box. The long referee finally got things quieted down and started to look for someone to put in the penalty box for starting the whole thing. As the Milo players had no numbers on their sweaters and the referee couldn't remember exactly who did start things, he thought that Lloyd looked like a likely suspect so he gave him a penalty, and also to one of the Enchant players. Well, some of the others on the Enchant team thought that seeing as Floyd was the one really to blame that he should get a penalty too, and by that time the referee was so thoroughly confused that he put both Lloyd and Floyd in the penalty box and two Enchant players to keep them company. It must have been quite a hockey game.

While we are on the subject of sports we might as well deal with the curling that went on this week. Two teams from Milo went to Vulcan and two to Mossleigh to compete in the high school bonspiel there. Teams skipped by James Will and Bobby McCord. I went to Vulcan but didn't get in on any of the prizes. The team skipped by Robby Thomson went to Mossleigh and came home empty handed. However, the team consisting of skip Murray Phillips, Barry Peterson, Maureen Robertson and Betty Dishaw went to Mossleigh and did very well for themselves. They came home with fourth in the first event and second in the second event.

Two teams from Milo have gone to Swallow for the men's open bonspiel there. These two teams went under the names of Jim Prentice and Took Beckner. So far there have been no results reported.

The Milo ladies curling club held their annual bonspiel last week but the weatherman was not too good to them. It was planned for Friday and Saturday but because of the warm weather on Friday no draws could be played. However, things were not completed until Monday night. Twelve rinks were entered with two visiting rinks from Vulcan and one from Mossleigh. The results are as follows: First in the first event was the Leslie rink from Mossleigh. It is not known who was on the rink but one of interest to this community was Mrs. Bob Bertschy. Second in the first event was the Mensinger rink from Vulcan. Third in the first event was the Bushel rink from Queens-town and fourth the Umscheid rink from Milo. First in the second event was the Heather rink of Milo with Ethel Heather skip. Iona Umscheid, Byria Armstrong and lead was substitutes. Second in the second event Maxine Deitz third Mae Spach of Vulcan and fourth Mrs. Johnson of Milo. First in the consolation event was Vi Carson, Skip Vi Carson, Leona Jones, Barbara McIntyre, Dorothy Palmer. Second in the consolation was the Hellevang rink of Milo, third the Peterson rink of Milo and fourth the Hannah rink of Milo. Another bonspiel successfully completed.

Mr. and Mrs. Bill Shield, Mr. and Mrs. Huldor Thompson, Ellen Thompson and Mrs. Prentice left last week for a motor trip to B. C. They will visit among other people, Mr. Thompson's sisters, who live in Victoria. During the absence of Mr. and Mrs. Shield, Mr. and Mrs. Ernie Klemme are staying at the former's residence and caring for their chattels and children.

There was a hard time dance held in Armada last weekend which was thoroughly supported by the people from this district. A good time seemed to be had by all.

Larry Fleming who has been in Calgary for the past two weeks taking another course toward the completion of his training for his

mechanics papers, was home for the weekend. Could the reason for that trip be the fact that Winnie Johnson was also home for the weekend from her studies in Edmonton?

The regular meeting of the Lutheran Ladies Aid was held at the home of Mrs. Tillie Heather. The attendance was small but a satisfactory meeting was held. It was decided to sponsor another clothing drive during the coming year. The next meeting will be held at the home of Mrs. Morseth.

After reading and adoption of minutes a discussion was held on assisting the Sunshine fund to cater to a flower show put on by the Delmarie Flower Shop of High River. As the quilt was not raffled in January, it was de-

cided to draw for it at the dance to be held in the Union Jack hall on Friday Feb. 20. A previously appointed committee has purchased silverware and utensils to be used at the hall. The next meeting will be at the home of Mrs. Dick Brodrick on March 12. The raffle and contest were both won by Mrs. W. Marshall. A delicious lunch was served by the hosts.

At the amateur night held in Arrowwood last Friday, Linda and Joyce Hill won first prize in tap dancing and Sheryl Gooch won second. Dale Wyatt won first in the vocal solos.

Lomond Church Scene Of Pretty Wedding

Smith - Booth

At a very beautiful candlelight service in St. John's Church, Lomond, on January 21, Arlene May, younger daughter of the late Clarence L. and Mrs. Velma L. Booth, became the bride of Mr. Robert Kelso Smith, son of Mr. and Mrs. R. K. Smith of Rolling Hills. Rev. Reuss of Vulcan officiated at the ceremony.

The church was tastefully decorated for the occasion with ferns, flowers and white ribbon.

The bride looked very lovely in a bouffant floor length gown of white net with lace bodice and peplum over satin. Her halo was embroidered with pearls and held in place a chapel veil of illusion net trimmed with lace. Her bouquet was of pink roses and her only jewellery was a double strand of pearls, gift of the groom.

The bride's attendants were Mrs. Jenni Mix as matron of honor, Miss Grace Booth as bridesmaid and three-year-old niece, Miss Lola Mix as flower girl. Mrs. Mix' gown was nylon net with lace bodice and peplum over Nile green taffeta with matching mits, veil and headdress. The bridesmaid, Miss Grace Booth's gown was orchid net and taffeta with matching mits, veil and headdress. Both these attendants had bouquets of yellow carnations.

The flower girl, Miss Lola Mix, looked very charming in a yellow floor length bouffant dress of yellow taffeta and net with matching mits and poke bonnet of net. She carried an old fashioned nosegay of red roses.

The bride's mother chose her costume of dark green velvet with black accessories. The groom's mother chose a red and brown iridescent taffeta with brown accessories. Both wore red rose corsages.

The bride was given in marriage by her stepfather, Clifford E. Booth. The groom was attended by his brother Leo, and another brother Ronald, and Walter Mix, brother-in-law of the bride, were the ushers.

Miss Amy Chambers played the wedding music and during the ceremony a solo "O Perfect Love" was sung by Miss Gail Skeith.

After the ceremony 80 guests sat down to the wedding supper, which was served in the Community hall. For the occasion the hall was very beautifully decorated with white bells and streamers of white, orchid, Nile and yellow. The tables were beautifully decorated with fresh flowers and candles. The bride's table was centered with a three-tiered wedding cake which had been made by her sister. The supper had been prepared and presided over by Mrs. Violet Huff, Mrs. Ivy Goldthorpe, Mrs. Lena Huff, Mrs. Charlotte West, Mrs. M. Chambers and Mrs.

to this, Mr. Oliver, grandfather of the groom, proposed a toast to the flower girl.

Miss Marlene Root looked after the guest list in the Bride's book. Out-of-town guests were Mr. and Mrs. L. Oliver; Mr. and Mrs. Geo. Smith, David and Martha; Mr. and Mrs. Norman Frash, all of Taber; Mr. and Mrs. Ed Oliver, Johnnie, Raymond and Gary; Mr. and Mrs. R. C. Oliver; Mr. and Mrs. C. Calvert all of Rolling Hills; Mr. and Mrs. W. D. Booth, Miss Ruby Booth, of Tilley; Mr. and Mrs. F. L. Booth, Kenny and Leona; Mr. and Mrs. Morley Melom of Vulcan; Miss Marlene Root, Vauxhall; Mr. Roy and Miss Vera Huston of Delburn and Mr. R. Cyr of Brooks.

The same evening many friends besides relatives of the young couple gathered in the Community Hall for a very pleasant evening of dancing. During the evening Mr. Mack MacKay presented the young couple with a sum of money which was a gift from those present at the dance.

For going away the bride wore a dusky rose suit with navy top coat and accessories.

After the honeymoon at Calgary and Banff the couple took up residence at Rolling Hills.
